MEMORANDUM OF UNDERSTANDING (MOU)

FOR THE INSTITUTIONAL ADOPTION, CUSTOMIZATION, AND DEPLOYMENT OF THE PWEZACORE ENTERPRISE RESOURCE PLANNING (ERP) & SCHOOL MANAGEMENT SYSTEM

Document Ref:	ST/MOU/RCSN/2026/01	**Associated Proforma:**	ST/SMS/004/26
Target Institution:	Rakai Community School of Nursing (RCSN)	**Effective Date:**	15th October, 2026

This Memorandum of Understanding (MOU) is made and entered into this **15th day of October, 2026** (hereinafter referred to as the **"Effective Date"**),

BY AND BETWEEN:

RAKAI COMMUNITY SCHOOL OF NURSING
Plot 14, Hospital Road, Rakai Town Council
P.O. Box 24, Rakai District, Republic of Uganda
Official Portal & Web: https://rcsn.ac.ug/
*(Hereinafter referred to as **"RCSN"** or the **"Institution"**, which expression shall where the context admits include its successors-in-title, legal representatives, and permitted assigns), represented by its Principal and the Chairperson of the Governing Council;*

AND:

SHARIFIQ TECHNOLOGIES
(Developers & Technical Architects of PwezaCore)
Headquarters: Kampala / Masaka, Republic of Uganda
Email: sharifiqtechnologies@gmail.com
*(Hereinafter referred to as **"Sharifiq Technologies"** or the **"Technical Partner"**, which expression shall where the context admits include its successors-in-title, technical affiliates, and permitted assigns), represented by its Executive Directors, **MWERUKA YOSAM BEST** (Chief Executive Officer) and **KIMULI DAUDI** (Managing Director & Lead Systems Architect).*

PREAMBLE & RECITALS

WHEREAS:

1. **RCSN** is an accredited healthcare tertiary training institution operating under the regulatory oversight of the Ministry of Education and Sports (Directorate of BTVET), the **Uganda Health Professional Assessment Board (UHPAB)**, and the **Uganda Nurses and Midwives Council (UNMC)**, licensed to provide professional Certificate and Diploma education in Nursing, Midwifery, and Health Sciences.
2. **RCSN** desires to modernize and unify its entire administrative, academic, clinical, and logistical operations through a modern **Enterprise Resource Planning (ERP)** platform, eliminating disjointed paper files, physical ledgers, and manual coordination bottlenecks.
3. **Sharifiq Technologies** is an enterprise software engineering and ICT solutions firm that has developed **PwezaCore**, a robust, cloud-native Enterprise Resource Planning (ERP) and school management system specifically engineered for health training tertiary institutions.
4. The Parties agree that all underlying cloud server hosting infrastructure constitutes an institutional asset owned, registered to, and funded directly by RCSN, while Sharifiq Technologies shall serve as the technical partner responsible for system delivery, customization, data migration, security configuration, user training, and ongoing technical advisory services.

5. The Parties mutually desire to formalize this agreement to define the institutional scope, technical capabilities, operational commitments, and governance standards under which the system shall be deployed.

NOW, THEREFORE, IN CONSIDERATION OF THE MUTUAL COVENANTS CONTAINED HEREIN, THE PARTIES AGREE AS FOLLOWS:

ARTICLE 1: PURPOSE & INSTITUTIONAL SCOPE

1.1 Primary Mandate: To establish the terms, operational standards, service commitments, and professional framework under which Sharifiq Technologies shall deliver, configure, customize, deploy, and support the PwezaCore ERP and School Management System as the sole operational digital backbone for RCSN.

1.2 Institutional Coverage: The platform shall comprehensively manage institutional data, workflows, and operations across all accredited programs and departments:

- Diploma in Nursing (Direct Entry & Extension)
- Diploma in Midwifery (Direct Entry & Extension)
- Certificate in Nursing
- Certificate in Midwifery
- Administrative, Academic, Financial, Stores, Human Resources, and Logistical Departments

ARTICLE 2: INSTITUTIONAL ERP CAPABILITIES & SCOPE OF SERVICES

Sharifiq Technologies shall deliver an integrated Enterprise Resource Planning (ERP) platform providing the following core institutional capabilities:

2.1 Academic, Clinical Training & Assessment Management

- **Curriculum & Semester Administration:** Dynamic configuration of academic terms, semester course allocations, and digital attendance tracking for theoretical lectures and clinical demonstrations.
- **Clinical Practicum & Hospital Ward Placement:** Digital scheduling and monitoring of student clinical rotations across partnering hospitals and health centers, with preceptor supervision and attendance tracking.
- **Examinations & Regulatory Grading:** Secure entry of continuous assessment coursework and semester examinations, automated computation of Grade Point Averages (GPA) and Cumulative Grade Point Averages (CGPA) adhering to national regulatory guidelines (UHPAB and UNMC), and generation of official result slips and academic transcripts.
- **Multi-Departmental Clearance:** Digital clearance workflows covering academic departments, library, hostels, laboratories, and the bursar for examination permits and graduation.

2.2 Student Information & Digital Admissions

- **Central Student Registry:** Comprehensive digital profiles maintaining student biographical records, national identification references, regulatory indexing numbers, medical fitness documentation, and emergency sponsor contacts.
- **Online Admissions Portal:** Public application workflow allowing prospective candidates to submit applications online, upload prerequisite academic credentials, and track their admission status.
- **Admissions Screening & Letter Issuance:** Administrative screening workflows for verifying applicant qualifications, managing admission quotas, and issuing official institutional admission letters.

2.3 Institutional Financial Operations & Bursar Desk

- **Fee Billing & Invoicing:** Automated generation of student fee schedules based on program, cohort, and residential status.
- **Digital Ledgers & Receipting:** Real-time posting of tuition payments, automated generation of official digital receipts, and individual student balance statements.
- **Financial Reconciliation & Budget Requisitions:** Departmental expense requisition workflows, daily cash office reconciliations, and audit trails capturing financial transactions.
- **Executive Financial Visibility:** High-level financial reporting on gross expected revenue, collections, and outstanding student arrears for administrative leadership.

2.4 Stores, Procurement & Consumables Inventory Management

- **Centralized Stores Ledger:** Inventory tracking for institutional consumables, training demonstration supplies, laboratory reagents, linens, student uniforms, and administrative stationery.
- **Stock Requisition & Issue Workflow:** Departmental indent requisition and approval engine, ensuring that all inventory releases are authorized by the Bursar or Principal.
- **Stock Balance Monitoring & Audits:** Real-time tracking of item balances, low-stock notifications, digital store issue documentation, and periodic inventory reconciliation reports.

2.5 Property, Plant & Fixed Asset Management

- **Institutional Asset Register:** Complete cataloging of institutional physical capital assets—including training equipment, laboratory apparatus, computer hardware, generators, vehicles, and campus furniture.
- **Asset Custody & Location Tracking:** Allocation of unique asset tracking codes, designated departmental custodians, and physical campus location records.
- **Maintenance & Condition Logging:** Scheduled maintenance logs, repair histories, and asset operational condition status tracking.

2.6 Human Capital & Human Resource Management (HRM)

- **Staff & Faculty Directory:** Centralized digital personnel files for full-time tutors, clinical preceptors, administrative personnel, and support staff.

- **Staff Leave Administration:** Online leave application and approval workflow, with automated tracking of leave balances across departments.
- **Careers & Recruitment Desk:** Institutional desk for posting job openings, receiving applicant CVs and credentials, and managing recruitment reviews.
- **Faculty Payroll & Wage Oversight:** Monthly payroll compilation, statutory deduction logging, and institutional wage summary reporting.

2.7 Campus Security, Biometrics & Governance

- **Gate Passes & Student Exit Tracking:** Digital clearance workflow for students exiting campus for hospital rotations, authorized exeat leaves, or medical referrals.
- **Biometric Attendance Integration:** Compatibility with campus biometric devices for verified student and staff attendance verification.
- **Student Identification Cards:** Generation and batch printing of barcoded student identification cards and examination permits.
- **Centralized Action Alerts & Messaging:** Live notification center for pending applications, leave requests, and administrative actions, alongside integrated broadcast communications.

ARTICLE 3: TECHNICAL DEPLOYMENT & CLOUD INFRASTRUCTURE

3.1 Institutional Cloud Server Ownership: RCSN shall be the sole registered owner of its cloud hosting infrastructure and server compute instance. The Institution shall directly procure and fund its server account, maintaining independent custody over its hosting environment.

3.2 Technical Provisioning & Hardening: Sharifiq Technologies shall execute all server provisioning, database installation, performance optimization, institutional domain configuration, SSL/TLS security certificate installation, and automated daily backup routines at zero additional deployment fee.

3.3 Security & Access Governance: The system shall employ multi-layer encryption, granular role-based access permissions separating departmental privileges, and immutable forensic audit logging capturing critical transactions.

ARTICLE 4: FINANCIAL CONSIDERATION & TERMS OF ENGAGEMENT

4.1 Professional Implementation & Perpetual Enterprise License: In consideration for the delivery of the PwezaCore ERP platform, system customization, data migration, security deployment, and hands-on staff training, RCSN shall pay Sharifiq Technologies an agreed professional fee of:

Total Agreed Professional Fee:
UGX _____
(In words: _____ Uganda Shillings)

4.2 Structured Payment Milestones: The agreed professional fee shall be disbursed in two performance-based installments:

1. **Milestone 1 — Advance Mobilization Payment:** Payable upon the formal signing of this Memorandum of Understanding and commencement of technical provisioning:
   Amount: UGX _____
2. **Milestone 2 — Final Delivery & Staff Training Completion:** Payable upon full deployment, institutional data ingestion, and completion of staff training:
   Amount: UGX _____

4.3 Server & Third-Party Costs: All underlying server hosting and domain renewal fees are direct operational responsibilities of RCSN, paid directly to the service provider.

4.4 Complimentary Warranty & Support: Sharifiq Technologies shall provide **sixty (60) calendar days** of complimentary post-launch technical support, system tuning, and operational assistance immediately following formal deployment.

ARTICLE 5: ROLES AND MUTUAL RESPONSIBILITIES

5.1 Obligations of Sharifiq Technologies:

- Configure the PwezaCore ERP suite to match RCSN's academic, administrative, and clinical operational structures.
- Deploy and harden the platform on the Institution's cloud server and bind institutional domains.
- Assist in migrating and ingesting verified student records, fee balances, and staff rosters.
- Conduct practical on-campus training workshops for administrative officers, registrars, bursars, storekeepers, and academic tutors.
- Provide prompt technical assistance and system maintenance during the warranty period.

5.2 Obligations of Rakai Community School of Nursing:

- Provide cloud server access credentials and maintain active hosting infrastructure.
- Appoint an Institutional Project Coordinator to serve as the primary operational liaison.
- Provide verified academic, financial, inventory, and staff records for system population.
- Ensure adequate campus internet connectivity and computers for administrative workstations.
- Remit agreed professional milestone payments in accordance with Article 4.2.

ARTICLE 6: IMPLEMENTATION TIMELINE

To ensure rapid institutional operationalization, the deployment shall be executed across an accelerated **two-week (7 – 14 business days)** commissioning schedule:

Timeline	Deployment Phase	Key Deliverables
Week 1: Days 1 – 3	Infrastructure & Customization	Server provisioning, institutional domain routing, security hardening, and academic

Timeline	Deployment Phase	Key Deliverables
		curriculum and fee structure configuration.
Week 1: Days 4 – 7	Data Cleaning & Ingestion	Uploading and verifying active student master profiles, historic records, fee balances, and inventory records into the production database.
Week 2: Days 8 – 11	Departmental Staff Training	On-site practical training workshops for Tutors, Registrars, Bursars, Storekeepers, HR, and Clinical Coordinators.
Week 2: Days 12 – 14	Verification & Full Go-Live	Process verification, issuance of user credentials, final cutover to digital operations, and commencement of SLA monitoring.

ARTICLE 7: DATA OWNERSHIP, CONFIDENTIALITY & PORTABILITY

7.1 Sole Institutional Ownership: All data entered into, processed by, or derived from the PwezaCore platform—including student biographical records, exam results, clinical reports, financial ledgers, store inventory logs, and staff records—remains the sole, exclusive, and perpetual property of Rakai Community School of Nursing.

7.2 Confidentiality Covenant: Sharifiq Technologies and its technical personnel are strictly prohibited from sharing, disclosing, monetizing, or transferring institutional data to any third party under any circumstances.

7.3 Data Portability Guarantee: In the event of contract completion or termination, Sharifiq Technologies shall within ten (10) calendar days deliver a complete, unencrypted, standard database dump and associated document archive to RCSN without penalty or retention fees.

ARTICLE 8: DURATION, DISPUTE RESOLUTION & GOVERNING LAW

8.1 Term: This Memorandum of Understanding shall remain valid for an initial period of **three (3) calendar years** from the Effective Date, automatically renewing upon mutual written agreement.

8.2 Review & Amendments: Any modification or amendment to this MOU must be executed in writing and signed by authorized representatives of both Parties.

8.3 Amicable Dispute Settlement: Any dispute arising from the interpretation or implementation of this agreement shall be resolved amicably through good-faith negotiation between the Principal of RCSN and the Executive Directors of Sharifiq Technologies.

8.4 Governing Law: This agreement shall be governed, construed, and enforced in accordance with the **Laws of the Republic of Uganda**.

ARTICLE 9: EXECUTION AND SIGNATURES

IN WITNESS WHEREOF, the duly authorized representatives of the Parties hereto have caused this Memorandum of Understanding to be signed and sealed in duplicate on the date first written above.
